(210) 542-6855  
1202 EVANS RD, 1321  
SAN ANTONIO, TX

## Summary

Highly adaptable, sociable, individual with a passion for innovation and technology. Experienced in guiding others to facilitate problem solving in I.T. or Computer Science fields in a resourceful, timely, and organized manner. Well-versed in all Windows OS and programs. Sufficient knowledge of Computer Science from exceptional courses attended at UTSA and excellent customer support skills from time spent working in the service industry. Eager to exert my full potential and further challenge myself to become more knowledgeable in my field while completing my Bachelors in Computer Science.
